Liverpool Cables.

Liverpool, July 7.-Late steadiness port at the opening and values were 1/8 to 1/4 higher. Following the opening the market was dull with some slight recessions on a smaller demand for forward shipment and easier spot market, but later support developed on firmer Manitoba offers and an improved demand from importers. At 1:30 the undertone was steady, prices unchanged to 1/4 higher than yesterday.

Corn opened unchanged to 1/4 higher, while distant months were under pressure. July is firmly supported by the scarcity of spot and light stocks, while September is influenced by easier closing in Buenos Aires and better
